## **Income Disclaimer:**

This document contains business strategies, marketing methods and other business advice that, regardless of my own results and experience, may not produce the same results “or any results” for you. I make absolutely no guarantee expressed or implied that by following the advice below you will make any money or improve current profits, as there are several factors and variables that come into play regarding any given business. Primarily, results will depend on the nature of the product or business model, the conditions of the marketplace, the experience of the individual, and situations and elements that are beyond your control. As with any business endeavor, you assume all risk related to investment and money based on your own discretion and at your own potential expense. Your results may vary. Success in ANY online endeavor is a result of hard work, time and a variety of other factors. No express or implied guarantees of income or spillover are made when reviewing the material provided.

## **Liability Disclaimer:**

By reading this document, you assume all risks associated with using the advice given below, with a full understanding that you, solely, are responsible for anything that may occur as a result of putting this information into action in any way, and regardless of your interpretation of the advice. You further agree that my company cannot be held responsible in any way for the success or failure of your business as a result of the information presented below. It is your responsibility to conduct your own due diligence regarding the safe and successful operation of your business if you intend to apply any of our information in any way to your business operations.
